£39 - £1,200

a.

Rethinking the flow of a space and imagining interiors are the number one reasons my clients approach me. I've thoughtfully created an accessible, simplified and practical range of services to suit all budgets, project scales and timeframes, by providing 2 categories of space planning and 4 categories of interior design. So whatever your personal style, I'm confident these popular services will transform your home. I very much look forward to discussing your project with you.
