Fashionable and audacious as well as functional and abbreviated, the Sagmeister wardrobe is the perfect accessory for the weekend guest. One half hanging space and the other half shelves and drawers, this practical wardrobe is propped up to slide a weekend bag underneath yet maintains a low height to place catchall trays or adorn homeware on the surface above.

Every piece of inlay in the Sagmeister wardrobe has been hand cut. Moon-shaped brass handles open the uniquely patterned cupboard doors. The wardrobe can be created in a mother of pearl or bone inlay finish. The inner arrangement can also be completely customised to suit your needs. Contact us to discuss your project further.
